Re: Application of Gamecock Moving, LLC for a Class E (Household Goods) Certificate of Public Convenience and Necessity for Operation of Motor Vehicle Carrier
Docket No. 2017-103-T

Dear Ms. Boyd:

In response to the Applicant's Motion to Amend Tariff and for Waiver of Additional Notice ("Motion") filed today, ORS does not oppose the request to amend the tariff, nor do we oppose the request to waive additional notice in this situation. Applicant state's in his Motion that no additional notice is required when amending the tariff. I would like to clarify that ORS's position is that notice typically would be required when amending the tariff. However, in this situation due to the Applicant making relatively minor changes to allow charges for packing materials and to provide discounts for certain classes of individuals, ORS feels that notice can be waived. Accordingly, we do not oppose Applicant's request.

Sincerely,

Jenny R. Pittman
